KATEDRA TECHNOLOGII SUROWCÓW ZWIERZĘCYCH I ZARZĄDZANIA JAKOŚCIĄ

Dear Ladies and Gentlemen,

The Department
of Animal Products Technology and Quality Management
Wrocław University of Environmental and Life Sciences
and Polish Society of Food Technologies

greatly welcome you to take part in
**8TH INTERNATIONAL CONFERENCE ON
QUALITY AND SAFETY IN FOOD PRODUCTION CHAIN**
Wrocław, 20-21 June 2018

Wrocław University of Environmental and Life Sciences,
24a Grunwaldzka Str., Blg. C3

WEDNESDAY 20.06.2018

7.30 am 5.00 pm Registration

9:00 am Opening Ceremony and Welcome

9:15 am Session 1: Traditional and Functional Food

New functional foods with antioxidant and sugar-lowering effects

Natalia Sybirna, Ivan Franko National University of Lviv, Ukraine

The role of traditional and regional food in the prevention of malnutrition

Daniela Čačić Kenjeric, University of Osijek, Croatia

Selected quality systems of traditional and regional food in Europe and Poland

Anna Salejda, Maciej Oziębłowski, Wrocław University of Environmental and Life Sciences, Wrocław, Poland

Short communications

10:40 am Coffee Break

11:00 am Session 2: Quality and Safety Systems in Food Production Chain

Quality of dairy foods as affected by the inclusion of horticultural by-products in the diet of dairy goats

Esther Sendra Nadal, Universidad Miguel Hernández, Alicante, Spain

Safety aspects of meat curing process

Marzena Zajac, Cracow Agricultural University, Cracow, Poland

The possibility of transferring the multidrug resistant pathogenic bacteria from food to humans

Dusan Mistic, University of Belgrade, Serbia

Short communications

12:30 pm Coffee Break

12:45 pm Session 3: Food analytics

Thermo-oxidative degradation of phytosterols in model system and food products

Magdalena Rudzińska, Poznań University of Life Sciences, Poznań, Poland

Microspheres/microcapsules loaded with chemical and biological agents – a new type of biofertilizers

Marco Vinceković, Zagreb University, Zagreb, Croatia

Short communications

2:00 pm Lunch

3:15 pm e-poster Session

7:00 pm Dinner

THURSDAY, JUNE 24, 2016

9:00 am Session 4: New technologies and methods for the improvement of food products, nutraceuticals and biomedical preparations

The metabolic and regulatory role of lipids in nutrition addressing the development of organ specific disease and specific nutrition, and functional food research

Zdenek Zadak, Charles University Prague, Hradec Kralove, Czech Republic

Nutraceuticals - biotechnological aspects of improving the quality of health

Adriana Kolesarova, Nitra University, Slovak Republic

Short communications

10.30 am Coffee Break

10:45 am Session 5: New trends in food preservation and technology Process-Structure-Interactions in Chocolate Manufacturing and Quality

Knut Franke, German Institute of Food Technologies, Quakenbrueck, Germany

Membrane processes in production of tailored dairy products

Justyna Żulewska, UWM, Olsztyn, Poland

Mechanical steam treatment of olant material

Ulrich Mueller, Wilhelm, P., Ostwestfalen-Lippe University of Applied Sciences, Institute for Food Technology, Lemgo, Germany

Innovation in Packages: Contact free O2 Measurement

Steffen Hruschka, Andreas Steffen, GEA Westfalia Separator Group GmbH, Oelde, Germany

Short communications

12:45 pm Summing Up and Future Directions

Malgorzata Korzeniowska, Anna Dąbrowska

1:15 pm Farewell Lunch

All specialists are invited to share their knowledge and experience during the Conference by giving presentations and leading the discussions in the five thematic sessions listed in the Programme. The special session on **New trends in food preservation and technology** will also host the representatives of industry and business. The whole Conference is kept only in English (no translation provided). Abstracts will be published in the proceedings (paper version) and it will be included in the conference material package. During the conference all presentations (oral and e-poster) will be evaluated by the Professional Jury and the best ones selected for publication, as a full scientific paper, in *Żywność, Acta Scientiarum Polonorum* and a multidisciplinary international "*Millenium- Journal of Education, Technology, and Health*" Polytecnic Institute of Viseu, Portugal, (authors will be responsible for publication track). The results of the competition will be announced during Summing Up Session.

Abstract should be prepared according to attached blank form and send to the conference e-mail quality@wnoz.up.wroc.pl Short communication should not exceed **10 min** including time for discussion. Poster should be prepared in a clear visual e-form (one slide in ppt or pdf format) and send to the secretary up to 15 June. The e-posters will be presented during Poster Session only in the electronic form (3 min presentation).

The conference fee (**700 PLN (180 Euro) and 500 PLN (125 Euro)** bank charges on the participant side) covers conference materials, coffee breaks, two lunches and banquet. Conference fee payment should follow the registration procedure to the bank account: PKO BP SA Wrocław 62 1020 5242 0000 2102 0029 2045 plus D120/0005/18 (please include in the description part your full name and surname together with the name of the
